SC Berlin

Subject is a former state attorney in Berlin, who served in the Abwehr Abt. III-C and later in RSHA, Amt IV 3a. He has not produced many reports of great value, but has proved an excellent cut-out in contacting sources in the Berlin area. He has been the source of information about former Abwehr members and their present connections with the Russians. His primary value is as a cut-out interrogator and advisor on all matters related to previous police intelligence systems and procedures in Berlin. It had been contemplated at one time to obtain papers for him as a member of the Kripo, thus enabling him to interrogate persons in any of the sectors of Berlin. However, this project seems never to have been carried out. He was of great value to us in use against GIS targets before the end of the war. He is a walking encyclopedia and knows everyone in Abwehr and Gestapo circles. Recently subject has become the cut-out (using the code name HANSEN) in attempts by us to recruit [ ] a representative of the French I. S. in Germany.
